

10th ISE Satellite Student Regional Symposium on Electrochemistry July 2nd, 2021., Zagreb, Croatia

We are pleased to announce
10th ISE Satellite Student Regional Symposium on Electrochemistry
which will take place on July 2nd, 2021.
Due to the Covid-19 restrictions the symposium will be held online.

This is a one-day online event designed for **PhD** and **master students**
in the **fields of electrochemistry and electrochemical engineering**.
Students will have a chance to present their work in a friendly atmosphere.
Student best presentations will be announced. **Registration is free of charge**.

Abstract submission

Students are invited to submit abstracts on research and findings relevant to the field of electrochemistry. Abstracts should be submitted to the symposium organizers at dmikic@fkit.hr and smarcin@irb.hr. Submitted abstracts should be prepared as Word document in English using the [Template](#). Selected contributions will be presented in the form of oral presentations (10-15 min) in English or Croatian language. In case of an increased interest, part of submitted abstracts will be chosen for poster presentation including 3 min flash talk.

The closing date for abstract submission will be **May 24th, 2021**.
