

**ABSTRACT
SUBMISSION
DEADLINE MAY
15, 2025!**

Discover, learn, and connect.
Engage in insightful discussions
with your colleagues at the
Electrochemistry Symposium—
designed to inspire, inform, and
spark new ideas!

REGISTRATION IS FREE OF CHARGE

CASH PRIZES will be awarded for the
best presentations

THE TOPICS OF THE SYMPOSIUM:

- analytical electrochemistry
- physical electrochemistry
- environmental electrochemistry
- electrochemical material science
- electrochemical energy storage
