

AUTHOR'S ERRATUM

Dear Editor,

I would like to publish the following errata to correct the paper titled:

“Solubility of Thiamine in Pure and Mixed Solvents in Function of Temperature” by *L. C. P. Borges, A. H. R. Rezende, A. C. Granato, and R. F. Pires* published in *Chem. Biochem. Eng. Q.* **29** (1) (2015) 19–23 – issue dedicated to CHISA 2014.

On page 22, in the section ACKNOWLEDGEMENTS, the following text:

“This work was granted financial support from CNPQ (Proc. 485171/2013-9).”

should be replaced with:

“This work was granted financial support from CNPQ (Proc. 485171/2013-9), FAPEMIG (APQ-01638-13) and UFTM.”
