FOREWORD

Meetings of Young Chemical Engineers bring together young chemical engineers, colleagues from related fields and students, and provide them an opportunity to exchange ideas, results and experiences gained in industry, academia, institutes and other institutions. This scientific and professional meeting has been organized for over twenty years by the Faculty of Chemical Engineering and Technology University of Zagreb and the Croatian Society of Chemical Engineers.

XIV Meeting of Young Chemical Engineers will be held on 24th and 25th February 2022 at the Faculty of Chemical Engineering and Technology in Zagreb.

On behalf of the Scientific and Organizing Committee, it is my pleasure to invite young chemical engineers and colleagues from related fields to participate in the conference activities and to present results of their work in a form of short oral or poster presentation.

Chair of the Scientific and Organizing Committee
